Perspective-Taking Challenge

Step 1: The Creative Setup

Provide the following materials to each student:

- Sticky notes 📝
- Pens ✍️
- A collection box 📦

Step 3: Ready, Set, Imagine! 👤🗣️

1. Distribute sticky notes to each student.
2. Ask them to jot down a statement or belief about the chosen topic.
3. Collect all the sticky notes in a box.

Step 5: Reflection and Discussion 🤔🗣️

1. Ask the students:

- 🤔 How did it feel stepping into someone else's shoes?
- 🤔 Was it easy or challenging?
- 🤔 How can perspective-taking enhance your life, your communities (think sports teams, family, friends), and future academic or work environments?

2. Ask the students to list their TOP 3 key takeaways from the activity.

Step 2: Choosing Your Adventure 🌟🤔

Select a topic to shape your activity; consider what will truly engage your students in this experience. Possible topics:

- Tech Talk 📱💻
- Eco Warriors* 🌱🌍
- Cultural Kaleidoscope 🌐👉

Step 4: Swap and Share 🗣️👂

1. Shuffle the collected sticky notes.
2. Allow students to pick a note from the box.
3. Students share the perspectives they've received in a role-play with peers, stepping into the viewpoint of the note's writer.
